COOKIES

Cookies are commonly used on websites and do not harm your computer and, like many websites, winmeaprize.com uses cookies.

Simply put cookies are basically small text files, typically made up of letters and numbers containing small amounts of information, which are downloaded on to the browser or hard drive of your computer, tablet or mobile phone when you visit, access and use websites.

Cookies not only help to make websites work more efficiently, but also do different things like remembering user preferences, letting users navigate between pages efficiently and generally improving the user experience.

Cookies can also be used to provide information to the owners of the website. The information collected by these cookies on our website does not include any personally identifiable information and none of the information collected is passed to any third parties.

The law provides that we can store cookies on your computer, mobile or other device if they are essential to operate this website however, we need to ask if you are happy for us to use any other non-essential cookies.

However, if you would like to know more information about cookies visit https://ico.org.uk.
